

MINUTES

Brittonkill PTSA Meeting Minutes

November 16, 2022/ 6:00pm | Meeting called to order by President, Kim Santandera

In Attendance

Kim Santandera- President

Lori Lewis- Vice President

Christy Fortin- Secretary

Leah Campbell- Treasurer

Approval of Minutes

October Minutes not read - Christy Fortin not in attendance in person

Board/President Report

Bingo was canceled earlier in the month, we are working to find a date to reschedule in 2023.

Future events we are working on include roller skating and bowling at Spare Time. More info to follow when we have it.

All volunteers for PTSA sponsored events MUST be PTSA members. Sign up now if you wish to volunteer for future events!

Committees Report

Audit committee members will be Ryan Goodenough, Heather Jones & Lindsay Beraldi

Fundraising committee is still working on ideas for future fundraising. Penny Wars will be held in the spring as well as a color run in secondary as a trial. If it goes well we will consider holding at elementary next year. Got sneakers will be kicking off in the secondary this week and people can donate gently used sneakers and we get money for them.

Health & Safety committee - we are working on a couple potential chairs/members for the committee.

Citizenship Award Committee is still in need of a chair/members for awards given in the spring.

Treasurers Report

Our classroom snacks budget is depleting quickly and we are looking at ways to reduce spending on that. Talk of possible share table, snack monster and reinforcing parents send children with snacks.

Principal's Report

Fall food drive was a huge success, thank you!

Thanks for the balloon arches provided for the halloween parade on the track.

Open Discussion

1. Penny Wars will be taking place in both schools in March for 1 week (except 7th grade who already does their own fundraiser of this)
2. SOUPer bowl February 2023; Looking to have soup catered and parents contribute snacks and other items to go with it. We will follow up with Joy in cafeteria and Christy will get quote from Carol's Place.
3. Field Day will be June 2, 2023 with rain date of June 14th. ALL volunteers MUST be PTSA member to participate this year. Looking at possibly making it an all day event for all students vs allotted time slots last year. Also getting tshirts again.
4. Holiday Shoppe will run 12/12 to 12/15 and held in the old computer lab. volunteer sign ups to come soon. Must be PTSA member to help.
5. BEEP (Brittonkill Educational Enrichment Program) 2023 to be run again by Christy Fortin. She will be emailing last years volunteers to discuss helping again and telling them they need to be PTSA members. Information sheet will be going home soon to encourage others to help. Program will begin in early March and run on Wednesday and Thursdays 315-5pm.
6. Looking at possibly holding a contest again for secondary students to make a drawing for our PTSA yearbook ad.
7. Picture retake day is December 5th at both elementary and secondary. Waiting for a call back from Adirondack portraits for a date for 2023.
8. Dr. Maloney suggested creating a survey about safety issues for parents that we can then take to the SRO.

Next Meeting

Wednesday, December 14th, 2023 6:00pm LGI Room Secondary Building

Meeting was adjourned at 7:40 p.m.
